

### **Celebrating Birthdays, the Eagle Way at Endeavor Hall**

We at Endeavor Hall love birthdays! We understand that it is a very special time and that our students love to celebrate at school surrounded by friends and teachers. As a school we too will be celebrating our student's birthdays in the lunch rooms. Once a month, we will sing to that month's student birthdays and give out a special birthday treat (wellness policy and government approved treat) as well as have their names up on the birthday board. In an effort to abide by our Endeavor Hall Wellness Policy and to maximize student instructional time, we are asking parents to follow these simple guidelines when planning for your child's birthday celebration at the school. Endeavor Hall staff feels strongly that by following these guidelines, we are promoting a healthy lifestyle and maximizing student learning! Here are some ideas to help you plan according to our school regulations. Again, these are just Suggestions

- Volunteer in your child's class
- Bring classroom supplies for classmates such as: pencils, erasers, bookmarks, etc. The teacher will help your child distribute them to classmates at an appropriate time that day
- Provide goodie bags for classmates which can be distributed and taken home at the end of the day
- Donate an educational game or book for your child's classroom
- Make a donation to your child's school in honor of your child's birthday

- Contribute a book to the school Library through the birthday book program (a sticker will be placed in the book stating it was donated on behalf of your child for his/her birthday).

**Please note: Students are not allowed to bring in food items for birthday celebrations as most food items brought to school will not follow the Endeavor Hall Wellness Policy guidelines. We appreciate your help with this matter!**
