

AFTER SCHOOL OPPORTUNITY!

The Dream Academy is an innovative afterschool and mentoring program that helps young people realize and accomplish their dreams. Through high performing relationships we build dreams, skill, perseverance, and strengthen character. We currently operate through 8 Learning Centers nationwide where mentoring, strong academics and technology combine to engage elementary and middle school students in active learning.

What your child will gain from our program

- Supervision Monday - Friday, 3-6pm
- Assistance with Literacy and S.T.E.M
- One-to-one and group mentoring
- Hands-on activities, crafts, recreation and more!
- Exposure to local Universities and Colleges
- Field Trips
- Healthy Snacks

Now enrolling 3rd–8th grade students!

Please contact the Center Director for student applications.
